ALTAIR

NEW RELEASE

ALTAIR (with weighted base)

Altair is a luxe sheer that invokes a luminous drape with a subtle metallic sheen. The acrylic fibre has been specifically created using a free radical polymerisation process. Benefits of this dynamic fabric include hypo-allergenic, washable, pest resistant and with higher colourfast properties.

Altair is available in a range of colours and has been FR tested to AS/NZS 1530.2 & 1530.3
